Welcome!

If you recall, earlier this year we started the process of nominating new shepherds (elders). With the virus scenario, that process was disrupted. We were able to complete the nomination and objection processes, but still need to complete the Final Evaluation step.

Because it continues to look like it could be a while before we are able to return to meeting normally, we are completing the final step via mail and e-mail. Last week we snail mailed every household Final Evaluation forms. Be looking for those in the coming days. Please complete one form per member. If you need more forms than what was supplied in the mailing, please make additional copies, use the link below to print additional forms, or let us know and we will send you more. There are also additional forms near the return boxes in the foyers.

Instructions and deadline for returning are included at the bottom of the form.
